SIR

I have the honor to invite reference to Rule 5 of City and Town Municipal Election rules published in Notification No L 6435-Ml 165-26-2 dated the 15th March 1927, relating to the additional qual fications of voters and to state that a sum of Rs 2/- and Rs 2-8-0 is fixed as minimum property -- qualifications for voters assessed to building and land taxes respectively, in clauses (f) and (h) of the said rule

2 Under Sec 12(c) of the Municipal Regulation "every person who was for the preceding year assessed to taxes, other than Octroi or toll, imposed in that Municipality, of an amount not less than such minimum as shall for the time being be fixed for that Municipality by the Government shall be qualified to be a candidate, and to be entered in the list of voters for the said Municipality" As stated in para 1 supra so far as land and building taxes are concerned Government have fixed the minimum in the rules published in the notification referred to above As regards other Municipal taxes, other than Octroi or toll, no minimum appears to have been fixed as contemplated in the section quoted above (12(c)

3 As some of the municipalities have been preparing electoral rolls and as the scope of the section 12(c) of the Regulation in relation to the minimum of taxes other than Octroi or toll, payable to become eligible to vote, is not very clear I request that you will kindly furnish instructions in t

matter at a very early date
